Dear Mr. Edgerton,

Thank you for your recent postcard regarding HB 2 – Health Care Freedom Act. Representative Iler voted in favor of this bill last week and it passed the House and has been sent to the Senate. I also received your postcards on HB 8 - Eminent Domain and HB - 11 No Post-Secondary Education/Illegal Aliens. Please be aware that Rep. Iler has signed onto both of these bills as a co-sponsor and will be closely following the progress of each bill. SB - 8 No Cap on Charter Schools does not have a companion bill at this time on the House side but I expect one to be filed shortly.

Best Regards,

Carla Farmer

Legislative Assistant to Frank Iler
